WOW!! You want views?? This is the place! AND it's been updated inside and out! You'll feel like you're vacationing at home, yet it is only minutes from Charlottesville and Crozet! Floor to ceiling windows with mountain views greet you as you enter this charming home in western Albemarle! With a new roof, updated kitchen, and low maintenance LVT flooring this home is move-in ready! Main level features a spacious great room with built-ins and wood burning fireplace, open dining room and remodeled kitchen with modern cabinets, quartz countertops and stainless appliances. Entertain outdoors on the expansive deck and screened in porch. The owner's bedroom is located on the main level for convenience and features a private bathroom with two vanities and a soaking tub. Lower level has two bedroom/home office spaces, a full bathroom, large laundry room and workshop/utility room.
